RE: Congratulations On Your Appointment TO Federal Health & Human Services

Honorable Xavier Becerra,

Congratulations on your appointment to Head the Department of Health & Human Services.

You are ready to make a commitment to providing “Effective Health and Human Services to the American People”, who depend on Truthful Solutions, not the Lies, which have suppressed the Truth about Human Health Cures and Remedies for over a Century.

Please reflect on your bad experience with CEO Julian Burke and his Administration at the Los Angeles County Metropolitan Transportation Authority, who embarrassed you with Lies and Deceit, which had you yelling in a Closed-Door Session, which I taped as the MTA SECT Radio Technician. This new position may present more of the same, be careful.

As the Head of Health and Human Services, we pray you will be vigilant, when representing the American People and know American’s do not receive **“The Right To Be Informed”**, from doctors, with the Truth about Vaccinations Programs and Vaccines in general. The Truth is “Skillfully Hidden”, by Doctors, Researchers and the Lobbyists’, paid to hide the Truth about the Dangers of Vaccinations and Drugs. To better understand, look at the film, VAXXED.

Dr. Robert B. Strecker and Attorney Theodore A. Strecker, submitted the Historic Document, **“This Is A Bio-Attack Alert”, March 28, 1986** to NSA, FBI, CIA, Senate, Congress, Governors of the States, President and Vice-President of the United States of America. If they had acted, there would be no COVID-19 in the U.S. and those agencies listed in the document would have been investigated and cleaned up, or shut down, for involvement in spreading AIDS, Cancers and other Diseases through Vaccinations Programs. **Please read “This Is A Bio-Attack Alert” for yourself.**

Please consider talking to Doctors, Researchers and Scientists working in the best interest of the American People and Humanity, while being aware of those not working in the best interest of the American People, or Humanity, including the Philanthropists funding many of their projects, such as the Bill and Melinda Gates Foundation. Projects responsible for Sterilizing Children.

From 1986-2018, my Private Research in AIDS led me to Dr. Robert B. Strecker in 1989. Recognizing the Truth about AIDS and later Cancer, the reason people are not healed is because, **“No One Wants To Be Defunded”**, so the illnesses and diseases continue for those who ‘Profit From Illness’, as they receive Billions in American Tax Dollars, to continue the “False Science” they represent.

1. Dr. Rudolph Virchow in 1890’s proved, “The Cells Feed Themselves” and refuse anything harmful to the Human Body, such as Drugs & Vaccines.
2. Dr. William F Koch, gave the “Cause & Cure of Cancer” as early as 1918
3. Dr. Royal R. Rife Cured every Known & Unknown Diseases with Vibrational Medicine in 1930’s and became an Alcoholic in disbelief, his discovery was denied by Medical Industry
4. Dr. Max Gerson Cured Cancer with Diet and Testified on July 1, 2 & 3rd, 1946 Congressional Testimony on Diseases and its Cure with Proper Diet.
5. Harry Hoxsey Cured worse cases of Internal & External Cancers in 1920’s and successfully won a lawsuit against the AMA & FDA, for conspiring against him and his cures.
6. Dr. Ernest T Krebs Sr. & Jr. Cured Cancers with Vitamin B-17 and forced to stop.
7. Dr. Johana Budwig, a German Biochemist Cured Cancers with Omega 3 Oils.

The list of True Healers, Biochemists and Doctors is a long one, but the True Cures and Remedies are Suppressed, because they cost pennies on the dollar and cannot be Patented by the Drug and Vaccinations Companies.

The United States Department of Health and Human Services should employ Doctors and Scientists, who have “No Vested Interests In Drug & Vaccine Companies”, in addition, Doctors and Scientists who work, or worked for Drug & Vaccine Companies should not be allowed to move from those companies into U.S. Government Agencies. View the film VAXXED to see why.

Sincerely,

John Burns, UMOJA Research, Private Health Research 1986-2018

"...In relation to the immune response, a number of useful experimental approaches can be visualized. One would be a study of the relationship of HL-A type to the immune response, both humoral and cellular, to well defined bacteria and viral antigens during preventive vaccinations. This would be particularly informative when applied to sibships."
